DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1, 16, 17, 32 and 33 are allowed. The prior art discloses a data communications network comprising of a plurality of existing nodes forming one or more synchronization domains and each node has stored common representation information within the synchronization domain it in.

The prior art however fails to disclose or suggest an new entering node exchanging domain representation information with a first neighboring existing node, and identifying as a first synchronization domain common with the first neighboring existing node all neighboring existing nodes from which the entering node domain representation information is flooded back to the entering node.
